PRESIDENT'S MESSAGE

There is good and bad in everything — and it's no different in the sport of Soccer; but we tend to highlight the bad, while the many good things are conveniently forgotten. By dealing with the good things in this message, I don't propose to give more publicity to those people whose actions in the past year only deserve the severest condemnation.

The good things began in January 1980 when the famous Red Star Belgrade came to Perth, and in beating our State team by five goals to nil, they gave a display of soccer the likes of which we haven't seen here for a long, long time. Further, in so doing, they dispelled forever the idea that good, positive soccer cannot be played on the Velodrome.

Solahart, the Federation, and Perth Azzurri were all to be commended for their initiative in bringing the revered Bobby Charlton to Perth to play three games during the 1980 night series. He proved as much a gentleman off the field as he was an artist on, and his visit was like a breath of fresh air that helped dispel a smog of tedium and the ordinary.

The articles which appeared in the West Australian suburban supplements, sponsored by Red Rooster and the clubs themselves, did much to inform the uninitiated of the origins of our State League clubs and the amount of work that has gone into putting them into their present day elevated positions.

The Federation's decision to move all major semi finals and grand finals to Dorrien Gardens was accepted in the right spirit by the State League clubs, and there is no doubt the presentation of the games was distinctly improved.

Kingsway Olympic's win in the League and the Top Four proved the correctness of their policy of playing youth. This must have created an incentive for all the young players in Perth.

At the Sundowner Centre each year, our longest sponsor, D'Orsogna Brothers throw a champagne breakfast for the two finalists in the D'Orsogna Cup. This year the comical antics of Ted Gray and Ron Tindall brought some humour, for a brief moment, into at least a part of the soccer fraternity.

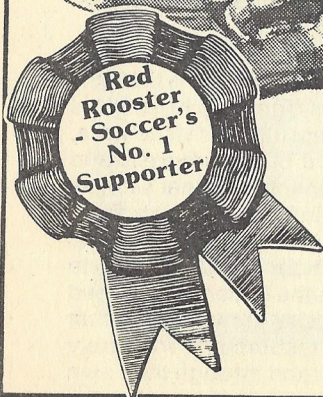

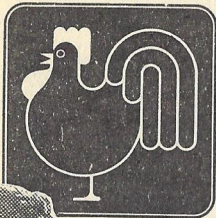

We can all be proud of the showing of our U/19 and U/16 teams in the Australian Championships. A number of the W.A. U/19's were selected for the squad to train to represent the country, while at the younger age group Frank Faraone, of Perth Azzurri, was chosen as the Fairest & Best Player in the competition.

Red Rooster and Coca Cola's idea to send an administrator and a youth player to England on a three weeks' experience holiday is the envy of all States, and you have only to read the reports from Ivan Kostrencic and Stephen Callaghan to realise just how successful their visits were.

I am sure we all feel some pride when we read of the progress and triumph of young players Bertogna and Spanos in the National side, as we know that they learned most of their soccer in Western Australia.

It is evident that Western Australian soccer is held in the highest esteem in Asia when the invitation was received from Thailand for us to compete in the Kings Cup Competition. Although the Federation agreed the invitation should be accepted there was such short notice given that the required finance was beyond the Federation's resources. Fortunately Gosnells City were already planning a trip to Asia, and through their own efforts their players had already amassed sufficient funds to cover the

cost of the trip. It is now history that Gosnells, strengthened by some players kindly lent by other clubs, went to Bangkok and acquitted themselves in such a way that I was proud to have the privilege of being the party leader.

Sponsorship can only benefit and do good for the game, and we are fortunate to have sponsors who are consistent, co-operative and constructive with their support of soccer.

For the first time in the history of the award, Rothmans Gold Medal was won by a previous recipient, Lee Adam. Everyone congratulated Lee when he collected his second Gold Medal at the Channel 9 studios.

Solahart, Village Gate, TAA and D'Orsogna Bros help us in every possible way, and Red Rooster, having been our major league sponsor for two years, have agreed to come back in 1981 with \$15,500.

Thanks to many clubs we were able to reciprocate in some small way in 1980 with catering, and it is up to everyone in the code to give every possible support to Red Rooster in 1981. Let's all contribute something good for the game, and not leave it all to the other fellow.

Coaching Courses

1980 has been a good year for our courses, with over 250 people attending. Courses have been held at Ascot, Kalamunda, Gosnells, Kingsway, Balga, Nedlands, Claremont Teachers College, Nedlands College and the University of W.A.

Country Visits

Coaching clinics were held in Geraldton, Albany, Hedland, Mandurah, Manjimup, Leinster, Pemberton, Wongan Hills, Busselton, Newman and Carnarvon.

Fitness Course

A very successful course was held at Perry Lakes on 8/9 November. Over 50 people attended, but sad to say only three Federation Club coaches were there.

Overseas Courses

I was able to visit the United Kingdom in June to attend three weeks of coaching courses at the National Sports Centre at Lilleshall. In October I was sent to Auckland by the A.S.F. for a two week course, where I was successful in obtaining a F.I.F.A. Instructor's License. Some of the knowledge gained on these courses has been passed on via special sessions organised by the W.A. Soccer Coaches Association.

State Youth Team — U/19's

This team finished third in the National Championships in Canberra during May. After losing 1-0 to New South Wales in the semi-final, we crushed Queensland 5-1 in the play off for third and fourth places. When one considers that we had already beaten the other finalists, South Australia, by 3-0, it shows that had the competition been a round robin, we could well have won this prestigious tournament. The over-all playing record was P5, W3, D1, F14, A3.

State Youth Team — U/16's

This team also performed well in Canberra, losing to New South Wales once again 1-0 in the semi-final. We were not successful in the play off for third and fourth place, losing 1-0 to South Australia. One of our players, Frank Faraone, of Perth Azzurri, won the "Player of the Tournament" Trophy. The over-all playing record was P5, W2, D1, L2, F5, A3.

Coca-Cola Youth Player Award

The Coca-Cola Company boosted youth soccer in Western Australia in 1980 by sponsoring a visit to a professional club in England by an U/19 player judged to be the best in the State.

Southampton F.C. in the English First Division agreed to take our player for a four week period. The selected player would train with the first team squad, and play games with their reserve team. Training alongside the likes of Kevin Keegan, Charlie George and Dave Watson will certainly benefit any young player. In a very close contest, Stephen Callaghan, of Kingsway Olympic just pipped Tony Falcone of Perth Azzurri in the race for selection.

Coca-Cola are doing a great deal for soccer throughout Australia, and are to be congratulated on this latest innovation.

coaching for age groups under 12 to under 15. These would take place on an 8 x 2 hour basis, with the candidates paying \$25 each, and being supplied with a sponsored T-Shirt and their own soccer ball. The first and last sessions are taken up with testing the players over a 20 metre run, a maze run, and a ball technique run. Times are recorded, and comparisons made at the end. In all cases major improvements were shown in the times. The three academies held for the year were at the Maccabi Junior ground (45), Britannia Oval (60) and Dodd St. (31).

City of Stirling Coaching Scheme

This scheme was put forward by the Stirling Recreation Officer, Steve Stacey, and funded by the Dept of Youth, Sport & Recreation. The idea was to assist junior clubs in the City of Stirling by providing them with a staff coach who would make 20 visits during the season. He would advise the coaches on their general organisation, and show sample coaching sessions. They would also visit the team on a match day and give general advice about the team and the behaviour of the coach.

At the end of the season the clubs were invited along with the parents and coaches to a social function at the City of Stirling offices where a frank evaluation was to be made. The Recreation Officer, Development Officer and Staff Coaches involved attended this function, and two films were shown depicting the attitude of coaches and parents to young players. The clubs involved were Balga, Tuart Hill, Stirling City, and Osborne Park Galeb U/12 and U/14.

Junior Goalkeeping Clinic

This clinic was held on the invitation of the Tuart Hill Jnr S.C. Two sessions were held on Tuesday 15th and 22nd April. Thirty young goalkeepers were in attendance, representing ten different clubs.

F.A. Skills Award Scheme

During my trip to the U.K. I obtained permission from the F.A. to introduce the scheme into Australia. Involving five different awards in which seven skills are tested, this scheme has been run as a pilot project at the Morley Windmills Club. They have put through more than 100 youngsters, and it has also been used on the High Schools Academy. Unfortunately badges and certificates must be imported from England, and they took a long time to come through. Information has gone out to some clubs, and it is hoped to lodge the scheme in a big way in 1981.

High Schools Academy

A pilot scheme launched north of the river, and funded by the Education Dept saw sixteen boys from seven schools invited to attend special coaching sessions at the Balcatta High School on Tuesdays and Thursdays from 4.15 to 5.30 p.m. The boys were selected as being the best from their school, and the initial idea was to have two x one hour sessions per week for ten weeks. This would make twenty sessions in all, but because the course started late we had eight weeks of two sessions a week for approximately 1¼ to 1½ hours each.

The boys in the U/13 age group received specialist coaching from Senior State League Coach John Ward, and myself. They also practised for the F.A. Super Skills Award Silver Badge, and seven of them were successful.

The Academy is now being evaluated by the Education Department, and a decision will be taken regarding its expansion in 1981.

In closing I would like to thank all those people who have assisted with the running of coaching courses and clinics throughout the year. The

Coaches Association has been of great assistance under the presidency of John Ward and his committee. My thanks also to Ken Rowlands, who, as coaching course secretary, has helped me greatly in establishing courses throughout the metropolitan area. Western Australia has the highest ratio of qualified coaches to players (1:11) in the whole of Australia, and we will be working hard to improve on that in 1981.

Regional Director of Coaching

Report by the President, W.A. Soccer Coaches' Assn. (Inc.)

Our monthly meetings in the form of Five-a-side Soccer again proved very successful this year; we were very well supported and gained about forty new members. Other meetings included practical coaching sessions by Ron Tindall and John Davies; a report on the coaching techniques included in the F.A. Course in the U.K., which Ron attended; and the Referees Federation spoke on the Laws of the Game. Our thanks to all those people who helped to make the second Monday of each month so popular and enjoyable for all.

Coaching Review

Many thanks to Ken Rowlands who edited and arranged distribution of the Coaching Review every two months throughout the season.

Weekend Courses

In February six of the State League coaches were present at a course for senior coaches at the Walter Rd. Reserve. Each of them put on a short session, followed by discussion by the whole group, including several lower division coaches. This produced a wealth of new ideas.

A Fitness for Soccer Coaches sponsored by Rothmans was held in November, and this will be forerunner to the A.S.F. Senior Course in the future. This course dealt mainly with the theory of fitness, as well as practical sessions on all aspects of fitness. Staffing was by Charlie Cochrane, Ron Tindall and John Ward.

Junior Coaching

We held a Junior Clinic for schoolboys in the August school holidays, with about forty boys attending each day at the Walter Rd Reserve; this coincided with the Junior Assn's Country Week. It is hoped that with more advertising next year, a course will be run at Gosnells to cover both south and north.

Socials

The mid-year social at the Inglewood Kiev Soccer Club was quite successful, thanks to members and friends. The Coach of the Year Presentation Dance was held at the same venue in November and the Senior Award was won by John Ward, Kingsway Olympic, the Junior Award won by Pat Farley, St. Mark's.

Country Members

We went to Albany during their Carnival to investigate the possibility of forming a branch of the Coaches' Assn and a Development Committee in that centre. A lot of enthusiasm was shown, and we now feel other country centres should be visited, in order to get branches formed. We'll

Annual Game vs Referees

The Coaches won on penalties (7-6) after the game had ended 1-1. We used members only in our team, and did not include any State League players. We retain the Midland Shield for another year!

In conclusion, I'd like to express my thanks to the Committee for their dedication and hard work in 1980 — Dave Beardall, Ken Rowlands, Bill McKee, Alex Faulds and Pat Farley. Let's all work even harder to make 1981 more successful.

Report by President, A.S.R.F. (WA Division)

We have now completed another successful year of service to the code of soccer football in Western Australia, and apart from our obvious function of refereeing games, our contribution extends far wider. For example, this year we undertook lecturing and examinations at Karratha, Geraldton and Albany, as well as those carried out in the metropolitan area.

Many of the participants of our courses do not become referees, but return to their respective clubs and organisations with a more correct knowledge of the laws of the game.

1980 had its hallmarks, and amongst these was Barry Harwood's achievement in gaining his F.I.F.A. Badge. He has now joined the elite group of only seven referees in Australia who actively hold this qualification. A further achievement for the W.A. Division was to attain a

membership in excess of 100, making us the third largest division after Victoria and New South Wales.

It is customary in reports such as this to thank individuals for their efforts, but this I do not wish to do. I would have to identify so many people and they would not be limited to members of the committee only. Moreover, I believe when an organisation is functioning properly and all those with responsibilities are carrying them out completely, it is obvious to us all who those individuals are. This has been the case this year, and to all concerned, I express my sincere thanks.

It is ironic that in a year relatively free of internal problems we should have been confronted with an external problem of major proportions. I speak of course about the incident involving an attack on one of our linesmen. The action we took in this matter, I believe, was totally justified in the context of our continual discussions with the Board of the S.F.W.A. These discussions date back to the 1979 Top Four Final incident at Perry Lakes. The action I believe has made it quite clear to all that we will not stand by and allow our members to be subjected to physical attack. We (the referees) command respect and human dignity; that we are not individuals on whom to satisfy the frustrations and anger of modern day life. The code of soccer must accept that we require as a condition of our services all reasonable precautions by taken to ensure the protection and safety of our members.

I might add that this problem is by no means unique to our State and indeed it represents a general trend in all sport today.

My report would not be complete without mention of our new association with the North Perth Bowling Club, which has ended many years of considerable effort directed towards gaining our own headquarters. Although the arrangement is for a trial period of twelve months, I believe there is an excellent opportunity here for us to make this club our permanent home and headquarters. Certainly it is within our practical capabilities, but the eventual success of the venture will depend on the support of all members. I hope in the ensuing year we can make greater use of the facilities provided to help achieve this goal.

In closing, I would like to say I have thoroughly enjoyed the office of President this year. I have been sincerely supported by the general committee, and in particular by the Executive members. I have been proud to represent you, and trust we will all continue to build on the success of this year and enjoy even more next year.

SPONSORSHIP AWARDS

Red Rooster, our major sponsor last year, provided a little more than just hard cash. It was their idea to send a young administrator to the U.K. to visit clubs and organisations where he would be able to further his knowledge of running soccer.

We were very fortunate that at the same time Coca-Cola, through their promotions manager Mike Pritchett, came in with the suggestion that they would sponsor a young player to accompany the administrator to England.

From a number of possible candidates it was Kingsway Olympic's

young fullback Stephen Callaghan who won the player award, and North Perth Croatia's Secretary, Ivan Kostrencic, the administrator award.

After arriving in England Ivan and Stephen went to "The Dell" — famed headquarters of the Southampton F.C., and it was here they made their base for the three weeks of their stay.

Whilst Stephen spent most of his time training with the Southampton reserves side, and playing with the midweek side, he was very impressed with the training facilities and methods, plus the professionalism of the players.

As an administrator, Ivan had a more varied programme which took him from one end of England to the other. He started with club administration at the Dell, and went on to make visits to the Hampshire Football Association, the Arsenal F.C., the Football Association Headquarters, the Football League Headquarters, and Watford F.C. in Hertfordshire. He also visited Bournemouth's home ground. Besides the normal activities associated with their awards, both of our representatives were able to watch Southampton playing a number of matches.

Ivan had the added honour of watching the England v Switzerland international from the F.A.'s official box at Wembley. He also saw indoor tournaments at Wembley Arena, as well as club matches involving those centres he visited.

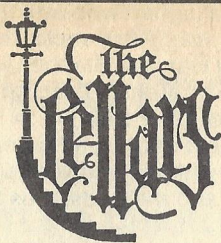

Both returned to Perth happy and appreciative of the opportunity given by Red Rooster and Coca Cola.

Ivan Kostrencic has written a very detailed and enlightening report on his trip, and anyone requiring a copy of it can obtain one from the Federation Office.

There is every possibility that these awards will again be offered in 1981, and this time it may well be that the destination for the lucky winners will be the United States of America.

Mine Host — Jim Doig — Active member of the Soccer Referees Federation

Report by the President, W.A. Womens Soccer Assn. (Inc.)

I present my annual report in a state of disillusionment. The proliferation of clubs and teams looks good on paper and for statistics, but the future of womens soccer in W.A. is in your hands. You have a good committee, all willing to work for the expansion of womens soccer, but at present the Association is like a ship without a rudder — just going round in circles.

It is pointless having clubs send delegates to monthly obligatory meetings when the majority of these delegates appear to switch off afterwards, and practically no information is related back to the clubs. It is also useless sending minutes to club secretaries who in the main fail to pass the information on to their members.

You, the clubs, resolved that the State Team should compete in National Championships, and directed the committee to make the necessary arrangements; yet you failed to support functions organised for the very purpose of raising the necessary funds; the majority of members snubbed the State Team altogether.

Again, you, the clubs, voted that we should hold an Annual Dinner and present trophies to winners. It was very embarrassing and disheartening to find one of the clubs which had taken off one of the major trophies was represented by only three players. Six other clubs were conspicuous by their absence. I regard the Annual Dinner as the most important event in the womens soccer calendar, as it affords us the opportunity of getting together with the losers, and meet with and show our sponsors that we are united, and justify their support.

I would announce here that the 1981 Annual Dinner will be held on Saturday 3rd October 1981, and ask that you plan your club functions for other dates.

There is a lot of hard work ahead of us, and the committee needs your active support. The Junior League which failed to get off the ground in 1980 is a necessary project. Mr Allan Hallett has done some preparatory work and has set the wheels in motion for the establishment of this League in 1981.

Organised tours to the country, interstate and overseas are very desirable to give players at all levels valuable experience which in turn can be passed on to their club mates.

In conclusion I would like to say thanks to Mrs Beryl Miles, our registrar, and to Mrs Barbara Gibson, our Secretary/Treasurer. Also to our very active and keen committee member Mr George Crow, who is always willing to help, often at a moment's notice. Also to our Vice President Mr Mike Pearson, who has been kind enough to donate the Invitation Shield and the individual trophies for the teams.

A special thanks to Mrs Joan Tonkin, our Patroness, who has had faith in womens soccer since 1971: Mr. Mick Lee, President of the Soccer Federation; Mr Ted Gray, Secretary Soccer Federation; as always Ted has been of tremendous help to our Association. To the Amateur Referees Association for their excellent coverage this season, and a very special thanks to Mr Eric Thomas and his wife Vicki for making sure we had referees allocated to our games.

Report by President, Junior Soccer Association (Inc.)

At this time when we reflect on the happenings of the year, some of which were good, I am sorry to say some of them were bad. It is not my intention to gloss over the bad things, in fact I feel if everyone knows what is happening, others may be able to assist us at their club level.

There has been an unprecedented number of junior players sent off and cautioned — 86 players, in fact sent off, and nearly 200 cautioned during the season. This is a disgrace to the sport, and everyone should take stock to see if they could have prevented much of what has happened this year.

It appears several factors assisted the situation to get out of hand. Selection of club coaches, with insufficient consideration given to appointments, has resulted in many coaches being guilty of inciting their players into misconduct in the pursuit of trophies rather than encouraging them to learn their skills and enjoy the game. Lack of official referees, with many referees lost to junior sport due to officiating at Federation Sunday League games. However well intentioned club officials and parents are, they can never quite replace the man in black in charge of a game. Everyone must try to assist in swelling the ranks of the Referees Federation both at senior and junior level, and in a few years we may be able to see an official referee in control of every organised game.

And finally, the senior players must take much of the blame for some of the antics junior players get up to. It is deplorable to hear some of the language that pours forth, and shows of dissent against referees' decisions. Obviously juniors copy the actions of senior players, and therefore the seniors have the responsibility of showing the young their skills and sportsmanship, so that better things may emerge for the game.

Apart from the foregoing, all other activities of the Junior Assn fared well. The metropolitan area is presently in a no-growth situation, but support for the game is growing rapidly in all the country centres. We have approximately 11,000 registered junior players in the state, including the country members.

The country areas were well represented at the Carnival held at Inglewood on both Cracovia and Kiev grounds during August.

Western Australia entered teams in all National Championships in 1980 — U/15's in Victoria, U/14's in Canberra, and U/13's in Newcastle. The U/13 team was placed third in its league, and recorded the best position of the three age groups. The State Team coaches reported the championships are very competitive, and even though we were not well placed, our teams performed creditably.

The highlight of the year was the U/15 State tour of Malaysia. Coached by former State player Hugh Miller, they played five games against the various States of Malaysia, and won all games, scoring 15 goals, and conceding only 4. We are justly proud of our contribution to the game in Western Australia, in assisting in the development of many young players who now hold regular places in State League teams. One such player who moved to Sydney, John Spanos, has been selected for the Socceroos currently touring Europe, England and Asia. Further, he was chosen as the fairest and best U/21 player in the Philips Soccer League in 1980.

Another player to gain national recognition this year was Frank Faraone, selected as the best player of the U/16 tournament held in Canberra.

Our congratulations go to these two, and to all the other young players who have made it to the top, and who learned their skills and a love of the game from the junior level in Western Australia.

In closing, I would like to thank the President and Secretary of the Soccer Federation, Mick Lee and Ted Gray, for giving so generously of their valuable time on many occasions throughout the season. Also, the Director of Coaching, Ron Tindall, for his advice and assistance during the year, and best wishes for the success of the Skills Award Scheme in 1981.

Many thanks to our sponsors, Coca Cola, the Rural & Industries Bank and Ampol Petroleum. Without your generosity we would be unable to carry out many of the competitions and awards which we run annually under your sponsorship. We hope you will continue to support junior soccer for many years to come.

Report by President, Soccer Players' Association (W.A.) Incorporated

The coming season will be an important one for the Players' Association in the sense that it will be making every effort to provide its members with some concrete benefits in return for their tremendous support during the past few years. The Association now has a healthy and dependable membership, and the committee will be able to channel its time and energy into areas other than securing members.

It has already been decided to extend all existing subscriptions by six months, which means that all current financial members will have their membership extended to December 31st at no extra charge. New members may join for the entire 1981 season by paying the normal \$4 subscription.

During 1981, the promotional ventures commenced last season will be continued and improved. Many retail discounts were secured in 1980, and the success of this idea has guaranteed its continuation; the sale and distribution of windcheaters and car stickers will also continue.

On the playing side, the Association hopes that it will once again become involved in the promotion of soccer in country areas. It was regrettable that the backlog of games at the end of last season prevented the planned visits to Albany and Bunbury.

The 1980 season saw an important change in the Association's end of year tournament. Previously known as the "Mini World Cup", the competition in future will be called "THE UMBRO INTERNATIONAL TOURNAMENT" — and our thanks go to UMBRO for its generous sponsorship. With this change there is the possibility of a new format for the tournament, which will allow more members to participate, and careful thought will be given to this during the coming season. Our thanks go to the Gosnells City Soccer Club for the help given in hosting the tournament; this was the first time the competition had been held

south of the river, and the excellent support engendered augers well for future tournaments in southern suburbs.

One other regular event, the mid-season Provident Fund Disco, was once again very successful, raising almost \$450. It is pleasing to report the money held in the Provident Fund is actually being used to assist members in need; however it must be stressed that long and careful examinations of all claims are inevitable. The broad areas of injury and insurance always present a confusing and contentious situation amongst many of our members. Once again the Association will provide each member with his own copy of the 1981 insurance scheme adopted by the clubs, and the benefits offered should be closely analysed. If they appear inadequate for an individual personal situation, the member is urged to seek advice on taking out some additional cover.

In conclusion the Association's thanks must go to all those people who have assisted in ensuring that its aims have been smoothly carried out. In particular, appreciation to the club delegates on behalf of all members, for their hard work throughout the year; also to the retiring committee for their invaluable contributions to the Players' Association.

INTERNATIONAL DISASTER

1980 will go down as the year that International Soccer was beaten, bludgeoned, and buried in Western Australia, possibly for all time.

In 1967 over 20,000 people poured through the turnstiles at the W.A.C.A. to see the famed Manchester Utd Club; and in 1969 Cardiff and Manchester City drew over 12,000 spectators for each game; 13,000 turned out to see Wolves in 1972, and 15,000 braved the elements when Stoke came in 1973.

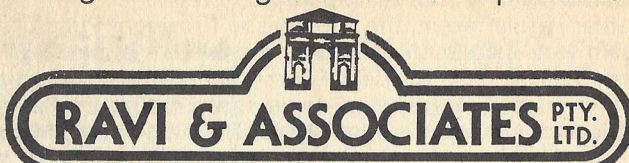

Western Australia's State team beat crack Scottish team Glasgow Rangers by two goals to one in 1975, and over 9,000 people were at Perry Lakes to see this historic event. In the same year, even without their big stars of yesteryear, the magic of Manchester Utd was such that they drew over 14,000 to see that game.

The writing was on the wall in 1976, when only 3,000 turned up to see Sunderland; and when 10,000 came to see Tottenham Hotspur in 1976 it was the last time we were to see a large substantial crowd at a game involving an overseas team.

1980's internationals included Red Star Belgrade — the Yugoslav team bristling with International players known throughout the world; A.C. Milan, a first division team from Italy, although in the midst of controversy at home over fraud allegations, nevertheless had an excellent reputation as a team; and to round the year off, we had the United Kingdom National champions, Northern Ireland — a team packed with stars from English First Division clubs, and a reputation for playing the most exciting and positive soccer of any of the home countries. Now, for all the tremendous programmes of top class soccer, the total number who supported the three games was less than that watching Spurs four years ago — only 9,131 — or an average of 3,000 per game. In consequence the promoters and the Federation lost substantially.

What can we do? Should we stop all International matches and deny the right of our young players to measure themselves against the world?

Shall we bury our heads in the sand as the rest of the world goes by, admitting that our interest is so parochial that we really don't care about the game?

The solution appears elementary. We must support ourselves, for nobody else will. There are forty-six clubs in the Federation Leagues. Surely it would not be extravagant to assume that each club has a membership of at least forty players and officials. Double this by taking into account wives and friends, and you should have a potential crowd of 3,200, which generally would almost cover the cost of a normal International match, with admission at a reasonable figure. Now add the extras from the Juniors, Amateurs, Womens, PASSA and our usual loyal supporters, and it can be seen that eight to ten thousand people are not beyond the realms of possibility. That sort of a crowd would ensure that the Federation would have money to develop the game and ease the burden of the long suffering clubs.

Just over 3,000 people came to the Velodrome to watch Red Star Belgrade play the State Team in January, and what an exhibition of soccer those few were fortunate enough to witness. The Yugoslav team made the small pitch at the Velodrome look as large as Wembley, as they tantalised the partisans from Perth with scintillating skills which brought them a 5-0 victory.

In June, A.C. Milan finished their Australian tour when they played the State team at the W.A.C.A. in front of 3,500 people. This was one of the best games the Western Australian team had played. The Italians soon lived up to their reputations as adroit players, but for sustained periods the local lads matched them in every way. But it was the visitors who were first to score through Guiseppe Galuzzo, and further goals were added in the second half through Carrotti and Antonelli. It looked all over bar the shouting when substitute David Fidoe passed to Frank Smerilli who blasted a twenty metre shot past Navazzotti in the eightieth minute; and only three minutes later Fidoe scored himself during a goalmouth scramble.

Probably the biggest disappointment of all the games was the small roll up to see the full National Side, Northern Ireland. Only 2,631 men, women and children were at the W.A.C.A. on the 23rd June to see the Irish star-studded team do battle against Western Australia. Unlike their previous game against Milan, the State team appeared lethargic and indifferent, and the Northern Ireland team were able to command the field with nonchalant ease, which seems to be the hallmark of complete professionals. O'Neill, Armstrong and Cochran (2) scored the goals which gave the Irishmen their deserved four - nil victory.

SOLAHART NIGHT SOCCER SERIES — 1980

Kingsway Olympic won their first major trophy of the year when they beat Gosnells City in the final of the Solahart Night Soccer Series at the Velodrome, by two goals to nil.

The competition, consisting of all ten State League clubs, proved to be unweildy when three games on the Sunday evenings became too much even for the most avid fans.

The most outstanding feature of the 1980 competition was the inclusion of the legendary Bobby Charlton in the Perth Azzurri side. Although his presence could not bring success to the team, his personality boosted the crowd on each of the three nights he played, to more than that which attended any of the International matches for 1980. By the time Charlton came into Azzurri, they had played five games and were lying fourth in the league. The eventual winners, Kingsway Olympic, were at the top in a position they didn't relinquish for the rest of the competition.

In the games in which Charlton played, Azzurri lost to Tricolore, who were having a disastrous time due to the number of their players transferring.

Charlton scored a brilliant goal when Azzurri beat Gosnells City 3-1, and although his skills were evident, he seemed to have over-awed his colleagues, who couldn't quite play to his requirements.

In his last game here against Kingsway Olympic, Charlton scored a masterly goal when he received the ball near the half way line, and in a marvellous solo effort outpaced the entire Kingsway defence to deftly place the ball past Willie McNally.

As we farewelled Bobby Charlton, we immediately dropped back to the previous pattern of indifferent crowds who came along to watch the rest of the games which had predictably lost some of their sparkle.

Although Kingsway Olympic had lost a number of their players, their form was phenomenal. They went through the whole competition without defeat, and only spoiled their 100% record by drawing against Gosnells City mid-way through. On the old points system Kingsway's record would have shown they gained 17 points from a possible 18, and scored 26 goals for with five against.

Gosnells City made a remarkable jump from sixth position into the top four when they beat Athena 3 goals to nil; and Spearwood's loss to Azzurri eased them out of contention by goal average.

So to the semi finals, and the first between Macedonia and Gosnells was a humdinger. Gosnells had much more of the play, and it was only an outstanding exhibition of goalkeeping by the young John Alavakis that kept the score to nil — nil at full time. In the resultant shootout, Gosnells was successful by two points to one.

Kingsway went directly into the Grand Final when they defeated Azzurri in the second semi final.

The winners were helped on their way when Chris Proctor, then playing for Azzurri, put one into his own goal, whilst the other goals were scored by Paul Tombides and Stephen Sceats. Tony Falcone and Joe Rossi replied for Azzurri.

The final turned out to be a thriller — end to end with the result in

doubt right up to the final whistle. Gosnells were the first to score, thanks to Peter Creamer, when his free kick swerved past the Azzurri goal keeper. Proctor scored minutes later in a similar fashion for Azzurri from a free kick.

So the two sides came out at half time with the score level, and it was Brett Atherton who gave his side the edge with a well taken goal. But Gosnells were not to be denied, and Andrew Godfrey levelled the scores from a penalty kick and the crowd had to wait until the sixtieth minute before the game was put beyond doubt with a magnificent 35 metre shot from Jeff Lewis.

Gosnells City were supported by a very vocal crowd who created atmosphere at the game which was their first major final since joining the Federation in 1970. But they were against redoubtable opposition who were unbeaten in the night series, as well as being runners up in the League.

Kingsway further emphasised their tremendous talent and depth when they became deserved Cup winners after beating gallant Gosnells two goals to nil. Neil Garvey and Keith Blunt got the necessary goals, and it was a proud Stephen Sceats who received the Solahart Cup from the Company's Managing Director, Mr Wayne Reed.

Paul Tombides, Kingsway Olympic's striker, received \$100 for the Golden Goal of the series, which he scored in the semi final against Perth Azzurri. He gathered the ball some thirty-five metres out on the left wing, and although harrassed by two defenders, unleashed a shot that rocketted into the top right corner of the goal, giving Saverio Madaschi no chance.

RED ROOSTER STATE LEAGUE

Kingsway Crowned Again

The 1980 Soccer Season once again provided an exciting and close competition in the State League, both at the top and the bottom of the ladder. Positions fluctuated so as to maintain the pressure and allow no club to relax and become complacent.

Such is the unpredictability of Soccer. Club supporters can be plummeted down into the depths of despair one week, and then soar to the heights of joy the next.

Despair when we see clubs who have an honoured history in the game, fighting against relegation with all the odds against them.

Joy when we see a club come through to win the championship with skill, youth, and a conscientious management, so that it is lauded and admired by all those who are interested in the well being of the game.

Under the guidance of coach John Ward, Kingsway Olympic won the Red Rooster State League Championship for the second time in three years, and won it in the best possible way. After losing a number of star players to other clubs at the end of the 1979 season, undaunted they went on to glory by continuing with their policy of using youth wherever possible.

With the regular nucleus of Captain Stephen Sceats, goal scorer extraordinaire Lenny Dundo, and stalwarts Duncan Hill, Derek Watt and Willy McNally, it only needed the skilful blending of talented youngsters like the Tombides brothers, Stephen and Paul, together with Steve Callaghan, Paul Terpkos, Ian Sinclair, and Arthur Sharp, as well as the new signing Neil Garvey, to create a side which was a match for anyone. But Kingsway didn't have it all their own way. Their old rivals Spearwood Dalmatinac were once again snapping at their heels the whole season through, and again, for the second time in three years, we had a smidgeon of difference (.819 of a goal) at the end of a hard fought season.

It is strange how the wheel of fortune turns. Floreat Athena were cock-a-hoop after they had beaten Forrestfield Utd six goals to one in the first match of the season, and for the briefest of moments they were the top of the League. Nobody at that time could envisage it would be Athena, after a dismal season, who would be relegated to the Second Division for the 1981 season.

Newly promoted club West perth Macedonia, packed with star players secured from other clubs at the end of the Night Series, made an auspicious start to the season by going six games without defeat, although four of those games were drawn. They then lost to Stirling Cracovia by three goals to two on the 24th May, and this seemed to herald a mediocre period during which their full potential was never realised, and they only managed to pick up nine more points for the next twelve games.

Coincidentally Gosnells City had a good period until they met Cracovia and lost two goals to one. At that stage, after eight games, they had ten points, but only managed to pick up another five by the end of the season.

Perth Azzurri came third in the League with 23 points, three behind Spearwood Dalmatinac, and it must have been the points they lost unexpectedly to lowly Forrestfield Utd that kept them out of contention. Forrestfield's surprising one — nil win coincided with the appointment of

Ray Ilott as player/coach, and it was a young amateur player, Wayne Sanderson who scored the all important goal. Then in the last match of the season, the two teams fought out a scoreless draw on Azzurri's home ground.

Azzurri must have been upset with progress during the season, as they switched coaches mid-year when John Birighitti handed over the reins to Captain Eric Marocchi.

Inglewood Kiev barely made the Top Four, just scraping home in front of Stirling Cracovia, with a slightly better goal average. Cracovia seem to have been everyone's nemesis during 1980, for they beat Kiev three — one at Perry Lakes, and drew at Inglewood Oval. However, the highest score of the season was chalked up by Kiev when they defeated the luckless Athena by ten goals to one in a match when Johnny Davidson helped himself to four goals!

Stirling Cracovia continued their progress which began in the 1979 season. They were helped on their way with sterling performances from experienced players Mateljan, Brooks and Chodakowski, whilst the enthusiastic work rate of youngsters Douglas and De Silva ensured them a fairly successful season. One of their best wins was against Azzurri when they won three goals to one.

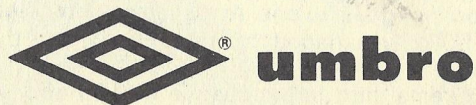

East Fremantle Tricolore, who have established a glorious history in Western Australia, had their most disastrous season ever. Together with Forrestfield Utd they shared the two bottom spots in the table, until with three games to go, Forrestfield clawed their way out of trouble as they beat Gosnells five — three at Thornlie, and went on to beat Inglewood Kiev the following week by one — nil, to finish up the season drawing with Azzurri.

It now left Floreat Athena and East Fremantle Tricolore in the danger zone, with one game to go. Athena were on ten points, and Tricolore two points behind, on eight. Both of them had hard matches to complete their fixtures — Athena away to Dalmatinac on the Saturday, and Tricolore away to Macedonia on the Sunday. It seemed odds on that Tricolore would be back in the second division for the first time since 1955.

Came Saturday, and gallant Athena fought hard as they held the mighty Dallies to a single goal, scored by Ian Russell.

So Tricolore would now have to beat Macedonia on the Sunday. Impossible? Well, not to the Fremantle Fighters. They came out contesting for every ball, and fair haired Tony Pragnall scored a brilliant goal in the 19th minute and the issue was put beyond doubt when Paul McKenna scored from an acute angle. This game proved undeniably that relegation and promotion creates excitement at both ends of the table.

Kingsway Olympic shared the Presentation Function with Spearwood Dalmatinacs at the White House, and it was a proud President Steve Trandos who received the Red Rooster Shield for 1980.

RED ROOSTER TOP FOUR CUP

Olympic Flame Burns Bright

Goal average determined the top four positions of the Red Rooster State Soccer League in 1980. Kingsway Olympic were .819 of a goal in front of Spearwood Dalmatinac. Azzurri were on their own in third place; but Inglewood Kiev relied on the computer to assure them of fourth position over Stirling Cracovia by .444 of a goal.

The 13th September turned out to be unlucky for Kiev, who met Azzurri in a pretty uninspiring match in the first Semi Final. The Azzurri strikers looked as though they never would score, and in fact, they didn't. They had to rely on a midfielder and a defender (Campbell and Trinca) to get

the goals. Inglewood Kiev's goal was also scored by Azzurri when the ball was deflected off Madaschi by one of his own colleagues.

The second Semi Final brought together two teams who must be heartily sick of one another. Over the past three seasons they have continually contested the highest possible soccer competition against each other. Kingsway met Spearwood last year in a most controversial final at Perry Lakes Stadium, but at Dorrien Gardens Kingsway Olympic were at their brilliant best. They underlined the fact that led by Stephen Sceats, under coach John Ward, they were the best team in Western Australia at that time.

Dundo scored two goals, and a further two were added through Neil Garvey and Paul Tombides. But don't think it was all one sided; tremendous efforts by Stephen Snell and David Fidoe were only stopped by the brilliance of Willie McNally in the Kingsway goals.

Dalmatinac had a chance to make amends for the preliminary final when they met Azzurri. But they were without Neil Hardy, who had sustained an injury, and Dave Fidoe was on the bench. Nevertheless the Dallies were certainly the better team in the first half, and Stephen Snell was an inspiration to his side and led them into many attacking moves. A goal nearly eventuated when only split second reaction by Iozzelli, who saved on the line, stopped the ball with Madaschi well beaten by a free kick from Popovich.

In the second half, Azzurri's midfield players began to assume control, and Tony Witschge was being kept busy. It was during pressure in the 54th minute that Bret Atherton was brought down in the penalty area; Ronnie Campbell made no mistake from the resulting penalty to score the only goal of the match.

So on to the Grand Final. As with the opening rounds this was to be played at Dorrien Gardens, a decision made by the Federation Executive to increase the atmosphere, and a decision which was soundly criticized in some quarters where it was said it would favour Azzurri. Subsequent events proved the criticism totally unfounded.

It's history that Kingsway won the Top Four Cup for the second year running. Once again it was the diminutive Lenny Dundo who demolished the reputation of players who had gained honours denied to him. He scored his first goal following a back header from Neil Garvey after only nine minutes of play. Conditions that day were atrocious, and the blustery wind made accurate skilful play almost impossible. Both teams were to be complimented on their efforts to keep the game free and flowing. It was the super teamwork of Kingsway which was the eventual deciding factor, and the opportunism of Dundo, who scored again in the 70th minute. Azzurri, and the large appreciative crowd, thought they were back in the game when a shot from Eric Marocchi ricocheted off Steve Tombides to flash past the stranded Willie McNally.

Dundo finally put the issue beyond doubt when he completed his hat trick by leaving Mike Saunt prostrate on the ground while he went on unchallenged to fire into the net.

A proud Stephen Sceats led his victorious team forward for presentation, but as Mr Peter Kailis was about to hand over the trophy, a storm, which had been threatening all day, broke, and the heavens opened up. The crowd and dignitaries were deluged as the ground was swept with torrential rain, and an unprecedented presentation was made in the teams dressing rooms.

U/17 LEAGUE & CUP

Some of the best soccer to be seen in Perth during the season is undoubtedly in the U/17 League and Cup competitions, and it is a disappointment to all concerned that more spectators do not attend these matches, where the strength and depth of talent available for the code in the future can be seen.

For the first time for many years the League was not a tight, close competition. Perth Azzurri assumed the lead from the start, and didn't relinquish it until they were defeated by the strong and skilful Spearwood Dalmatinac side at Dorrien Gardens on 31st March. This was the only league game Azzurri were to lose throughout the entire season, and with a four nil win over Inglewood Kiev, they swept to the front and shook off all further challenges to win by five clear points.

Spearwood struck a bad patch, and in a five game spell lost three and drew two, which put them out of the running most effectively.

The COCA-COLA TOP FOUR CUP produced some brilliant displays from these youthful stars. In the first Semi Final, Stirling Cracovia fought hard before going down to Gosnells City by two goals to one. Striker Michael O'Neill scored two brilliant goals for Gosnells, and then centre back Gordon Hind dropped an own goal for Cracovia's consolation.

The two giants met in the second Semi Final, and goals from Mordini and Toparo saw Azzurri through to the Grand Final, whilst Dalmatinac had to go on into the final to meet Gosnells City. The outcome from a very exciting and skilful encounter was a two nil win for the Spearwood side when Marin Vlasich scored both goals.

So back to square one for the Grand Final. Both sides bristled with Junior State players, and the large crowd was kept on its toes as the play went from end to end; both teams were obviously nervous as shot after shot went wide; frustration began to show in the latter stages of the game, and two Azzurri players were booked. This seemed to steady them down enough for Sam Todaro to go through and score the only goal for the match, giving Perth Azzurri the U/17 Top Four Cup for 1980.

DIVISION TWO

Windmills Do Themselves a Good Turn

After an inconspicuous start to the 1980 season, Morley Windmills turned up trumps, and took off the Second Division Championship, and so secured their position back in the State League after a one year's absence. They had played seven games, and only had seven points to their name; even their most avid supporters had resigned themselves to following the club in Division II for another season. But with a change in coach, and some astute signings by their administration, Windmills pipped North Perth Croatia by two points at the end.

When eighteen games had been played, Windmills were one point behind the front runners, North Perth Croatia, and it looked all over bar the shouting. But paradoxically Croatia signed star players Stephen Martin and Graham Cramphorn, and the club's successful run ended; they gained only six points out of a possible twelve at the end of the season. But in fairness to Graham Cramphorn, we should say that he lost

none of his consistency. His goal scoring ability continued with his new club, and he put away nine in eleven matches. Whilst with Kwinana Utd he had hit the back of the net ten times in eight games, and finished up only one goal behind the Division II highest goal scorer, Morley Windmills' Paul Hallum.

Melville Alemannia had their best season since 1975, when they finished third in the League. Prior to that their most successful year was 1973, when they were runners up to Stirling City. But after sitting in fourth place for most of the 1980 season, they went into the third position with four games to go, and by forcing draws with Croatia, Windmills, and Caledonians, thwarted all of Kelmscott's attempts to unseat them from their exulted position.

Kelmscott, in their last four games of the season, lost to Osborne Pk Galeb and Cockburn Utd; drew with East Perth Vardar; and had they picked up another point from any of those games they would have finished in front of Melville Alemannia.

Osborne Pk Galeb had a good season, and probably their one — nil win over North Perth Croatia at the Velodrome on 30th August was the one which determined the fate of Croatia to spend another season in the Second Division.

Bassendean Caledonian, who had opened a large and sumptuous clubhouse at Jubilee Park, couldn't match their superlative social endeavour with success on the park, and they had a mediocre season for them, although finishing fifth in the league. They found the gap of five points between the fourth and fifth places insurmountable.

East Perth Vardar, who had such renowned success in the Federation by reaching the Second Division from the Fourth after only two years, suddenly came to an abrupt halt, as they found the extra pace and skills in the higher division too much for them. But to finish almost in the top half of Division II was no mean achievement.

Cockburn Utd and Canning Corinthian both had poor seasons, and finished in eighth and ninth respectively. Canning had problems with their ground, and moved to a pitch near Cannington Central. The surface here didn't help their play, and the referees were very unhappy about the condition of the playing area.

Bayswater Utd started badly, played badly in the middle, and finished badly. They won only three games, and drew three others, and their total of nine points was eight behind that of the nearest team above them on the table. For 1981 this club will have a new spirit, after amalgamation with Meazza, let's hope they will get back into a happier position as they were in past years.

The trauma of the final relegation positions was encountered again, and played out with maximum drama and excitement. The dreaded drop only concerned two neighbouring teams, Kwinana Utd and Rockingham Utd.

Rockingham completed their fixtures and finished with seventeen points. Kwinana, with one game to play, were on 16 points, and a loss would be the saviour of Rockingham. Spectators at the seaside were biting their fingernails as they awaited the result of the Saturday 20th September game against Osborne Pk Galeb, and when it came, a nil - nil draw, it meant that Rockingham would drop down to the Third Division, by .139 of a goal.

Morley Windmills fully deserved their promotion, but had there only

been ten teams in the Second Division, they would never have made it. But nevertheless, they are to be congratulated on recovering from their initial lapse, and finishing strongly to take off the championship. Particular mention must be made of coach Brian Thornborough's contribution. He took over the side at a crucial stage, and with the help of the players, confirmed the confidence the club had shown in him.

DIVISION THREE

Balga Beat the Best

In 1978, when the Fourth Division was formed, Balga played far below expectation, and finished fifth. In 1979 they were runners up to Wanneroo, and gained promotion to Division III. Last year they really began to perform up to their potential, and won Division III from University, by two clear points. Their league results must have created a bit of a record, for they lost their fourth game to Queens Park by two goals to one, but from then on they played thirteen weeks without losing a game. This spell was broken when they went down to Subiaco City in a close game, three goals to two.

Dave Clarkson, Balga's coach, must take a lot of credit for his club's success. He was ably supported by a group of keen and dedicated players who took pride in their club's achievements, and endeavoured to play at every opportunity. Players such as Winstanley (the league's highest goalscorer), Callaghan, Ducasse, Fenton, Franks, James, Phur,

Ridgewell, Rodger and Sweeney, hardly missed a game throughout the season.

University had been a strong Division II team throughout the 1960's, and were runners up in 1969. They went down to the Third Division when the leagues were reconstructed in 1972, and it must give the club's administration a great deal of satisfaction to see the side back in Division II after such a long period. Coached by player/coach Charlie Cochrane, the club had a good run throughout the season, being only two points behind Balga at the end. During the course of the season, University took two points off the eventual Third Division champions — both their games against Balga ended in a one - one draw. At McGillivray Oval it was Cochrane for Uni, and Phur for Balga who got the goals, whilst at Princes Road, Winstanley for Balga, and Brown for the students. University's lapse must have been when they lost to lowly Bedford Utd by four goals to two, and the next week to Meazza, by two goals to nil. This represented the difference between being champions or runners up.

Swan Athletic bettered their 1979 position by one place. But for losing to Nedlands City, the team which eventually finished at the bottom, they might have been playing back in the Second Division this year.

Queens Park had something of a revival. Their fourth place with the same number of points as Swan Athletic, was a very creditable performance, with Sansom, King and Plummer all finding their shooting boots. But it was their goals against that let them down. They had eight drawn games — more than anyone else in the league; and a loss against relegation side Bedford sealed their fate for the 1981 season.

Wanneroo, who gained promotion last year, very nearly did it again. They had the same number of points as third and fourth positions, but their goal average let them down. Subiaco, who had forty goals for, had exactly the same number against. Their opening game against Wanneroo must have looked like an omen, as they thrashed the newly promoted side by five goals to one. And a loss to Perth City didn't help.

Sorrento have never fully displayed their early potential, when it looked as though they would be one of the strongest sides. Their finishing eighth must have been a great disappointment to their coach Vince Radcliffe.

Perth City, and Meazza, both of whom have known greater glory in Western Australian soccer, were in the doldrums during 1980. But probably one of the biggest disappointments was Nedlands City, who, as Graylands, carried everything before them in the Amateurs, and now have gone back to the Fourth Division.

Balga are a go-ahead club who have plans for the future that should see them eventually at the top of soccer in Western Australia, and their deserved winning of the Third Division will be a big milestone on their way.

DIVISION FOUR

Country Team Conquers

It was quite a big gamble for the Bunbury City Club when they came into the Federation's Leagues in 1978; would they be able to hold their own against Metropolitan teams who had a much wider range of selection of players? Well, in their first year they finished a creditable third. But in 1980 they confounded all the experts by deservedly winning the Fourth Division and gaining promotion to Division III. They won by playing good, steady, skilful soccer, and were recipients of a section of the Friendly Way Award.

Their goal average denotes that although their forwards did well, the defence must have played above themselves to keep the goals against down to just 20. Coach Brian Chatt was assisted by the experience of that old campaigner John O'Connell who won his club's Fairest and Best Award. The dedication of youngsters like Steve Rogers (who helped himself to 17 league goals), Jacombs and Shales (who notched up six each) together with O'Reilly, Migliore and O'Connell with five apiece, ensured the club's success.

Balcatta Etna finished second, just one point ahead of Whitford City. These top three clubs were neck and neck the whole way through the season. Whitford City held the lead right up until they lost to Bunbury City 3-1 at Bunbury, but strangely enough after that it was Balcatta Etna who took the lead with 23 points after a win over Ashfield Dynamo, and it wasn't until there were only two matches to go that Bunbury finally nosed to the front by one point, and managed to sustain that lead for the rest of the season.

It made a very exciting finish, and fourth placed Leederville Espanol were a large margin of 7 points behind; however they played very well for their first season in Federation soccer.

Kalamunda supplied the highest goal scorer in the Fourth Division. Zygmund Rygiel hit the back of the net 28 times — the highest individual goalscorer for the season in any of the Federation Leagues.

Dianella J.U.S.T. were only a shadow of their former selves, and could only make seventh place. Belmont City, who were relegated from the Third Division last year didn't show any likelihood of fighting their way back. And Mt Lawley Serbia did not live up to the early promise they had shown in the first season they had played.

Ashfield Dynamo and St Marks CBC both finished with only 15 points, but it was the latter team which had to apply for re-affiliation, together with Swan Valley, who must have created something of a record by not registering one point. Their total goals were six for and 107 against. Although sometimes they were beaten by double figures, the lads of Swan Valley didn't give up, and they fulfilled all but one of their fixtures, even though they must have been sorely tried when Espanol rattled in 12 goals on the 14th May, with Espanol's No 10 Dick Gaitan scoring six!

Bunbury City will have to make many changes for the coming season, not the least of all will be that their playing days will be Saturdays instead of Sundays. Although it may be more convenient in many respects there are those who feel their employment is a more important factor, and this will no doubt stretch their playing strength some Saturdays to the limit.

METROPOLITAN LEAGUE

Kingsway Capitulates

After winning the Metropolitan League every year since its inception, Kingsway have decided to give it a miss in 1981, which will be a sad loss, as their professional approach both administratively and player-wise, helped to give the Metro League a high quality and status.

At the end of the 1980 season they were eight points above their nearest rivals, Cockburn Utd, and had an almost unbelievable goal average of 3.192. Their striker, Chris Lovatsis, scored 42 goals in 22 games, and naturally took off the prize for top goal scorer in this league.

There was a big gap between the first three places. Cockburn were eight points behind, and a further six points back were Forrestfield; and our old friends Subiaco were right at the bottom with only eight points.

RESERVES

The unsung section of soccer is certainly the Reserves, but probably every club will admit they are an important and integral part in the scheme of things. The Reserves sections in all leagues are played with enthusiasm and spirit which is just as high as that in the first teams.

The State League Reserves section was won by West Perth Macedonia, whose team at times was sprinkled with State stars such as Johnston, Hannigan and Blunt. They won 14, and lost 4, and didn't draw a game for the whole season. Inglewood Kiev were runners up, followed closely by East Fremantle Tricolore and Azzurri.

Kingsway Olympic were, oddly enough, down at the bottom of the table and could only make seventh spot, and under them, carrying the weight of the whole league were Dalmatinac, Cracovia, and Floreat Athena in that order.

In Division II, North Perth Croatia showed their first team the way by winning their competition by one point from Osborne Park Galeb. These two clubs were out on their own some eight points in front of the next position, and right on the bottom were Canning Corinthian.

Swan Athletic took off the Division III Reserves trophy, followed by Balga and Sorrento, whilst Bedford Utd languished on the bottom with only seven points.

Division IV saw Balcatta Etna just missing the League Championship with their first team, but their Reserves won their League with something to spare.

PHILIPS LEAGUE CUP

Dallies Nearly Did It!

Spearwood Dalmatinac's showing in the PSL Cup did more for Western Australian soccer than any other happening since the State Team beat Glasgow Rangers in 1976.

In the first round the strong West Adelaide team came to Perth full of confidence, as a PSL side, and easy victors over Ascot two years previously; they obviously thought their task would be easy, and they would progress into the next round. But Dallies had other ideas, and with goals from Fiamengo (2) and Fidoe, the local side won 3-1, and caused an upset which reverberated around Australia.

For the second round, Dalmatinac travelled to Adelaide and met the South Australian State League team Woodville Beograd, which sounds like a soap powder, and the Western Australian champions really took them to the cleaners. Under the lights of the Hindmarsh Stadium, Spearwood played superlative soccer to win clearly by three goals to nil — all goals scored by Dave Fidoe.

The quarter finals produced formidable opposition when Rale Rasic, who led Australia into the last sixteen of the 1974 World Cup, brought Adelaide City to Perth. It was a nostalgic visit, for in the team were some well known ex-Western Australian players who had made their mark not only in the PSL, but because of their prowess in that competition had been regular selections for the Socceroos. Rale Rasic confidently predicted that there would be no extra time in this match, but how wrong he was. Dallies could have tied up the game in the opening minutes, when their players dominated the game, but missed open goals. After ninety minutes of pulsating soccer, the game went to extra time and it was debatable whether Dallies would have the stamina to last the extra session. But they stuck to their task manfully, and it was a tragedy for the home side when Sergio Melta scored after a brilliant midfield passing movement by the Adelaide players, when ten minutes of extra time had elapsed.

Although Dallies fought hard to get back on equal terms, no further goals were scored.

Rale Rasic was generous with his praise for the local side, and congratulated them on getting so close to the semi finals.

Adelaide City went down in their final against Heidelberg Utd., and the Cup Final went to Fairfield Marconi who will be known in future as the "Marconi Leopards" in the PSL.

ROTHMANS GOLD MEDAL AWARD

Adam in Paradise

Lee Adam, Inglewood Kiev's blond headed midfielder, created a record at Channel Nine Studios when he became the first Western Australian player to win the Rothmans Gold Medal on two occasions. He beat the perennial Geoff Cole by just one vote.

Although Lee and Geoff were bracketed together, there was a large gap of twelve votes in the final tally between the winner and third place, who was another consistent player, Stephen Sceats, scoring 39 votes.

Ray Ilott (31 votes) who previously won the award in 1974 was also in the top ten, and was in good company with players such as Paul McKenna (38), Alan Pye (36), Stephen Snell (35), Mal Cole (32), Stephen Tombides (29), Paul Doropoulos (30) and Rodney De Silva (27).

The published voting came to a close after the game played on July 27th. It could be seen that Gosnells City player Geoff Cole was just two points in the lead over Lee Adam. They had polled 42 and 40 votes respectively. At that time the nearest one to them was Floreat Athena's young goal keeper, Paul Doropoulos, on 31 votes.

So the scene was set for an exciting night, as in front of the Hon Des O'Brien, the Hon J R Williams, and other distinguished guests, the counting of the final votes commenced. An expectant hush fell on the auditorium as Barry Young of the Electoral Office began to check the results.

In the match on the 9th August, against Spearwood Dalmatinac, which Gosnells won four goals to three, Geoff Cole did not receive a vote. On the other hand Adam received four votes when his team had a field day against Athena, by winning ten goals to one, one of which Lee scored. And Paul Doropoulos didn't get a mention that day — I wonder why?

The only other significant moves amongst those players in close contention were Stephen Sceats (5 pts) which took him to thirtyone, and Alan Pye (4 pts) moving him on to thirty-two; out of that round, Steve Snell was the only player to record a maximum.

Came the weekend of the 16th August. Geoff Cole caught the eye of the oppositions coach and received three votes to take him on to 45; unfortunately his team lost the important match to Forrestfield Utd by five goals to three, after being two nil up at half time.

Kiev lost to Spearwood, and Lee Adam collected five votes which now edged him into the lead.

Paul Doropoulos didn't poll another vote until the last game of the season. Stephen Sceats picked up four more which put him up to 35, but this put him out of the running for with only two more sets of fixtures to be checked, he couldn't possibly make up the difference. Stephen Snell was polling well and consistently, but even another well earned five points couldn't help him catch up to the leaders.

With just two rounds to go, the 23rd August saw Gosnells lose to Kingsway Olympic by a lone goal scored by Lenny Dundo after the home side had more than threequarters of the play. Geoff Cole was given two votes by each the coach and referee, and this took his total to 49. Forrestfield defeated Kiev one nil, and the referee gave Lee Adam three

points, taking him on to 52. So Geoff Cole, who had been so close throughout the season, now had an excellent chance to pull it off at last.

Inglewood Kiev was pitted against Kingsway who were once again contenders for the championship. Kiev did well to force a one — one draw, but it didn't help Lee Adam, who failed to record a vote. So it was up to Geoff Cole now. Any score over three would see him a clear winner. So over to Perry Lakes Stadium, where Gosnells were struggling against Stirling Cracovia, and in a match which Gosnells lost by one goal to nil, the last envelope revealed that Geoff Cole scored one vote each from the referee and the coach, to fail by the narrowest of margins.

It was a very proud and elated Lee Adam who received the award for the Fairest and Best State League player from the former Deputy Premier of Western Australia, the Hon Des O'Neil. At the same time as Lee created a personal triumph and record, he did the same for Inglewood Kiev, for of the ten years that the prestigious Rothmans Gold Medal has been awarded, this Club has provided the winner on three occasions — Gordon Todd in 1977, Lee Adam in 1978 and 1980.

LEE ADAM, WINNER OF THE ROTHMANS GOLD MEDAL 1980. LEE ALSO WON IT IN 1978, AND IS NOW PLAYING FOR THE PSL CLUB WOLLONGONG.

D'ORSOGNA CUP

The Macedonian Massacre

Preliminary Round. Three Country Associations, four amateur clubs, and thirty seven lower division clubs kicked off in the preliminary round of the 20th D'Orsogna Cup on Saturday 29th March. As always, there was considerable conjecture on who would survive this maelstrom of football, and this round produced the odd surprising results.

Albany defeated Division II side Rockingham Utd, and looked set for another good run like last year. The Sunday amateur club Highgate Chindits eliminated Rosemount Meazza by four goals to three. Not really surprising, but worthy of mention, Morley Windmills hammered Swan Valley by eight goals to nil, and in the highest scoring match of the day, Wally Migas scored four goals and assisted his club North Perth Croatia to score a ten nil win over Kalamunda.

First Round Proper. The surviving twenty two teams were now joined by the State League Clubs who must come in every year with some apprehension, as each season sees some of them falling by the wayside at the hands of a lower division team. 1980 was no exception. Gosnells, still smarting from their exit last year at the hands of fourth division Diannella JUST, were further embarrassed when second division Kelmscott beat them at Frye Pk. University caused another shock by winning at Harfield Park against Forrestfield Utd, where goals by Ilott and Gladding couldn't save the home side from a three — two defeat. North Perth Croatia put paid to any aspirations that Albany entertained, and the only non-Federation side left in the Cup was Highgate Chindits, who knocked out Balcatta Etna. Inglewood Kiev beat Kingsway Olympic, who joined other State Leaguers Gosnells and Athena on the side lines.

Second Round. Gallant Highgate Chindits from the Amateurs found the jungle of Federation too dense to penetrate further, and were beaten by Kelmscott. But the shock result of the round was third division Balga's deserved win over the Cup holders East Fremantle Tricolore, by two goals to one. Croatia beat Cracovia, and Perth Azzurri struggled very hard to eventually win over Melville Alemannia.

The crowd who watched the tussle between Kiev and Macedonia really got their money's worth. Both clubs were at home, as they share Inglewood Oval, and Macedonia turned on a magnificent display to beat Kiev by four goals to one.

Quarter Finals. Azzurri breathed a sigh of relief when they walked off the field at Kelmscott. They were taken to extra time by the enthusiastic second division team, and it was only a hotly disputed penalty given by referee Eddie Evans that finally clinched the victory for the Perth team by three goals to two.

Macedonia, who were in all sorts of trouble with the Referees body, went to Kwinana and played as though they had a load on their mind, and in a game refereed competently by Executive member Gus Bazen, they struggled to a six — five win, after extra time and penalties.

Spearwood Dalmatinac won a high scoring game against Morley Windmills, and Croatia just pipped Balga when Beretovac scored the only goal of the match.

Semi Final. West Perth Macedonia struck their magical spell again, and ran all over Croatia when they won by four goals to nil at Perry Lakes

Stadium. Prior to that, Azzurri, on their own ground at Dorrien Gardens, struggled against a Spearwood Dalmatinac side, but managed to reach the final when goals by Alan Pye and Bill Kelly were scored without reply from "the Dallies".

Grand Final. Perth Azzurri and West Perth Macedonia met in friendly rivalry at the Champagne Breakfast on the eve of the great day, when they were guests of the sponsors, D'Orsogna Bros. In that happy and carefree atmosphere, none could envisage the drama that would unfold the next day.

Azzurri, obviously favourites, playing on their own ground, and having played competitively without interruption, must have felt confident. Whilst their opponents had faced a season of trauma and trouble, and had not played a serious game of soccer for almost five weeks, since the end of the League season. But the Macedonia magicians were able to display all their tricks and more besides as they put Azzurri on the rack and split them in half long before the final whistle sounded.

Such was the quality of the soccer displayed that very few of the partisan crowd left before the final whistle.

Big Saverio Madaschi made some brilliant saves, otherwise the six goals that Macedonia scored could have been increased. Every Macedonia player hit top form at the same time, and strode about the ground magnificently. The one goal scored by Azzurri's Ronnie Campbell was only perfunctory, but credit to Azzurri, for they never gave up or resorted to anything but genuine soccer. No player on the winning team could be faulted, but it was to Chris Proctor that Mr Tom D'Orsogna presented the gold medal for the Fairest and Best player of the match.

D'ORSOGNA CUP 1980

RESERVE CUP

Gosnells Gain Glory

Gosnells City Reserves alleviated a little of their club's disappointment at their league team's premature exit from the D'Orsogna Cup, by bringing off a great win in the Reserve Cup.

On their way through they beat Kelmscott 3-0; Highgate Chindits 4-1; Osborne Park Galeb 3-1; Perth Azzurri 6-5 on penalties; and in a very exciting Grand Final defeated second division North Perth Croatia Reserves 1-0. Needless to say Croatia's reserves emulated their league team by an excellent performance in all their competitions.

U/17 CUP

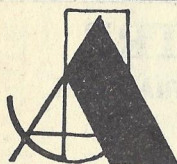

Kingsway Olympic won the U/17 Cup after a very thrilling high scoring game against Spearwood Dalmatinac. It was a game that was end to end throughout, and it was the determined opportunism of the Olympic team which won the day, their five goals scored by Turner, Hughes, Richardson, McAllister and Cook; whilst Jackson, Vlasich and Ivanac scored for Dalmatinac.

This year an U/17 team from the South West was invited to play, and in their first game took Forrestfield Utd to penalties and lost by the odd one.

METROPOLITAN CUP

It was a great day for Bunbury Tricolore Soccer Club, who reached the final of the Metropolitan Cup at their first time of competing.

At the request of the South West Soccer Association, teams from Collie, Bunbury City, Bunbury Dynamo, and Tricolore were invited into the Metropolitan Cup. All but Tricolore were eliminated in the first round, but as can be seen they went on to contest the final against Kelmscott, and won three — nil, with the goals coming from Germon and Calabrese (2).

LOWER DIVISIONS TOP FOUR CUPS

DIVISION II

The Lower Division Top Four Cups continued in their second year of revival, and in the Second Division it was Morley Windmills and North Perth Croatia, Melville Alemannia and Kelmscott, who were in the top four positions at the end of the season.

In the semi final, Kelmscott were beaten 4-3 by Melville Alemannia, who had to then take on Morley Windmills, the losers to North Perth Croatia in the other semi final. Morley Windmills went to the final by the only goal scored.

Goals by Danny Kuzmanovich and Paul Hallam gave Windmills a two nil victory over North Perth Croatia in the Grand Final.

DIVISION III

There were close games in the semi finals as Queens Park lost 2-1 to Swan Athletic, and Balga beat University by the only goal scored. Goals were a little more plentiful in the final, when Uni beat Swan Athletic by 4-1, all of University's goals coming from Charlie Cochrane, while Swan Athletic's lone goal was scored by Allenby.

University found goals hard to come by in the Grand Final and couldn't find the net at all, whilst their opponents, Balga, scored two through Andy Ridgewell, and proved they deserved the mantle of Third Division Champions.

DIVISION IV

Bunbury City had created a record in winning Division IV and gaining promotion. Would they be able to emulate the champions of the other divisions who had also taken off the Top Four Cups as well?

It didn't look like it as they went down 1-0 to Balcatta Etna at Wotton Reserve, whilst over at Jubilee Oval Leederville Espanol were being beaten 2-1 by Whitford City. So Bunbury came up and met Whitford City in the final and had recovered their form to run out winners by 3 goals to 2. Balcatta Etna now met the champions in the Grand Final, and Bunbury stuck to the pattern which ran right across all Federation leagues — The champions for the season also won their Division's Top Four Cup. Bunbury came through, winning two — nil, the goals coming from Ashworth and Rogers.
